

Volunteer Agreement

I, _____, in agreement with Love in Action Children's Home (LiA), affirm that I have read and agree to follow the policies and procedures as outlined in the Volunteer Handbook, including the Child Protection Policy. I understand that these manuals are in place for the holistic protection and care of the children, as well as my own protection and that of those associated with the organization.

I also understand that during the course of my volunteer work with LiA, I may have access to confidential information related to the children, families, staff, or operations of the orphanage, including, but not limited to, personal information about children and families, medical records, case histories, staff information, and any other information not generally known to the public.

I agree to maintain the confidentiality of all information obtained during the course of my volunteer work and to not disclose or use such information for any purpose other than the performance of my volunteer duties, and maintain such confidentiality beyond the termination of my association with LiA.

I understand that any violation of policies and procedures in the Volunteer Handbook, or disclosure of private information of the residents, may result in my dismissal and the termination of any previous agreement made between myself and the organization, including but not limited to, any volunteering agreement or employment contract.
